

EC12-8000 Series DC UPS

12W

- High capacity lithium batteries, provides long backup to the loads.
- High compatibility, suitable for most digital products in the market.
- USB output (5V), can supply charging for digital products like mobile phone, PDA, PSP, IPOD, MP4 ... etc.
- Intelligent circuit design with over-charging, over-discharging and short circuit protections.
- Built-in adapter allows wide AC voltage range (85~265Vac).
